Bruce,

I spoke with the Billing Supervisor at LIPA today regarding the billing discrepancy on your account for Manhasset, NY. that we reported to you last week. Her name is Kathy Schwarting

2/12/2007

At first glance, she definitely saw that a possible billing error exists but said they would have to do a field investigation in order to get the details. Even with a Rush request, it could take one or two weeks to get the results. She also advised that for the time being, she has put a hold on the account – no collections; no late charges. Thus, if the next bill arrives before a resolution is achieved, you do not want to make a payment pending a satisfactory response from LIPA.

I'll keep you advised of any progress.

Regards,  
Chris
